RELEVANT EXPERIENCE

Animation Lead

Centre for Arts and Technology
January 2023-April 2023

Recognized by the Animation department head for my leadership skills and animation talent, I led a small team of fellow graduates whilst working on a live action/animation combination short.

Photoshop Tutor

Centre for Arts and Technology
May 2021-June 2021

To share my knowledge of Adobe Photoshop, I was brought in to tutor a class in the program. I assisted the students in learning new techniques skills which they could utilize for rendering purposes.

Teacher's Assistant

Centre for Arts and Technology
July 2021-September 2021

Recognized for my passion and skill of the Sketch-up and Enscape programs, I was invited to teach 2 classes of students. My classes focused on the creation of 3D renderings and digital walkthroughs of a 3D model.

Interior Design Intern

ETA Energy Solutions
January 2021-March 2021

Displayed knowledge of planning solutions and Eco-positivity within design. I demonstrated the skill to conform to client needs whilst developing an affordable housing solution for the end-users.

Interior Design Practicum

MQNi
May 2021-July 2021

Used creativity to explore design concepts and solutions for existing projects while building community within the team. I showcased my InDesign ability through the development of a pamphlet for the ODC Drive and Dab event.
